

Meeting called to order at 10:30 a.m.

- Not For Profit
 - Jeff “Lefty” Kennedy is working on this and his help is greatly appreciated.
- Treasurer’s Report
 - Buy discs from the club. All proceeds go back to the club and help with different endeavors.
 - The in-color discs are here and 20 of them have already been sold. There are 20 left. They are \$30 and available to club members.
- The Director
 - “Nothin’.”
- Projects:
 - Freedom Park
 - There is a lot less property to work with than we originally anticipated.
 - There will only be 9 holes as a result of the aforementioned.
 - Trees and other obstacles were fully utilized to give the 9 holes a little pizzazz.
 - There will be a few mandatories to navigate.
 - The baskets will be permanent.
 - There has been a request to make sure the tee pads are deeply broomed.
 - October-ish is the time frame for opening.
 - Peccole Ranch: Basket 13 had to be removed due to golfers using cars and other roofs to fetch discs. This is a BIG NO-NO! While it may not be club members participating in these types of shenanigans, we want to encourage club members who see others doing this stuff to politely remind them of course etiquette as their behavior affects us all.
 - Sunset: Still moving forward. The disc golf course renovation is slated for Phase III and they have funding for Phase I.
 - Red Ridge: This park is open and ready for play.
 - Craig Ranch: Still on hold, however, the guys there are really interested. At this point, it is just a matter of working through other phases first. Look for more towards the end of the year.
- Tournaments:
 - Duos in the Desert: This event is a week from today. Sign up if you haven’t done so already.
 - Halloween: Registration is up for this. Sign up! The discs are HOT!
 - Super Class: This will happen.
 - 2009 ACE Race: SynDISCate will host this event.
- Monthlies:
 - September will be the ACE Race hosted by SynDiscate
 - October will be Halloween Classic warm-up
 - November is slated for Super Class and Cary is working on this.
 - December is still open. There have been suggestions including having it at Freedom Park or doing a membership drive. Ideas are welcome and considered!
- Weekly Doubles:
 - Wednesday – Sunset Park @ 5:00 (\$7)
 - Thursday – Mtn. Crest @ 6:00 (\$7)
 - Friday – Peccole Ranch @ 5:45 (\$5)
 - A sincere thank you to all individuals who have and continue to assist with these events. It is through your commitment and hard work that we all succeed!
- We encourage club members to voice their ideas as their input is valued. The club also encourages members to get involved in any capacity they see fit. There are many outlets in which to be involved. If you would like to help out or are unsure of where you can help, talk to John Ricker via phone, email, or in person at the course.
